RESUBMISSION OF INFORMATION DISCLOSURE
STATEMENT UNDER 37 C.F.R. § 1.97(B)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the document listed on the attached IDS Form PTO/SB/08.

This listed document was previously cited in the Information Disclosure Statement dated April 1, 2005. However, the Examiner had not initialed the document on the IDS Form PTO/SB/08 that was returned with the Office Action dated December 12, 2005. The undersigned contacted the Examiner on December 30, 2005 to inquire as to why the document was not initialed. The Examiner replied that he believed the document had been misplaced and suggested re-submitting it when responding to the Office Action.

A copy of the document is attached.

Applicants respectfully request that the Examiner consider the listed document and evidence that consideration by making an appropriate notation on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the claimed invention over the listed document, should the document be applied against the claims of the present application.

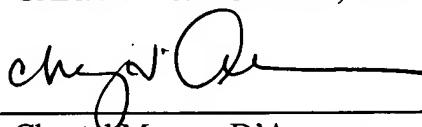

Applicants do not believe a fee is due. If there is any fee due in connection with the filing of this Statement, please charge the fee to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
